REFERRAL PROGRAM

HOW DOES IT WORK?

We place an advertisement on our website in the category that matches your products and services. **You are only charged when a customer's contact information is sent to you.** To keep it fair, we see the exact same information as you do. You will ONLY be charged once you receive a lead. There are no mysterious numbers, no gimmicks.

Step 1: We place an advertisement for your products and services on AsktheBuilder.com.

Step 2: At the click of a button, interested customers are directed to a dedicated page within our website where they can read a bit more about your specific products and services.

Step 3: Customers complete a small form providing us with key contact information for you. Once they hit submit, you receive an email with the lead.

Step 4: You do your thing.

It's that easy.

TO RECAP:

You receive a lead, you will be charged . If you don't, you won't.
AND your ad will still be getting the views of 1000s of customers a day.
